North Bay Parry Sound District Health Unit sends reminders of no-smoking or vaping rules for public spaces. Also a good time to remind staff to use the cigarette recycling receptacles too.

New window stickers have arrived. Contact the **DBA office** if you require more than one to be dropped off .

Did you know

A Business Improvement Area (BIA) is a "made-in-Ontario" innovation that allows local business people and commercial property owners and tenants to join together and with the support of the municipality, to organize, finance and carry out physical improvements and promote economic development in their district.

Traditionally a BIA is a body established by a municipality using the specific business improvement area provisions set in the Municipal Act,2001 .

The general functions of a BIA are:

1. to oversee the beautification and maintenance of municipally owned property, buildings and structures
2. promote the area as a business and shopping area through marketing and events
3. advocate on behalf of the business improvement area

Do you have an idea how to promote economic development that better suits your business? Call the office or send us an [email](#) and lets connect!
